AMENDMENT UNDER 37 CFR 1.312(a)

Commissioner Of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Applicant hereby seeks to amend the above-identified application, after the issuance of a Notice of Allowance, but prior to paying the Issue Fee, pursuant to 37 CFR 1.312(a) by correcting the recitation of the claim dependency of claim 43, which dependency was erroneously amended in the amendment filed April 23, 2003. The purpose of this Rule 312 amendment is to re-establish the previous antecedent basis for the limitation recited in the subject claim 43.

Moreover, claims 5-6 and 25-39 and 47-52 are not marked as "deleted" but as "withdrawn/ elected out". This clerical error is now also being corrected.

The changes introduced in this amendment are in the nature of formal matter only and do not introduce any new matter or affect the scope of protection granted by the present
